

FALL at the LIBRARY

BRINGING COMMUNITY TOGETHER

Fall is a busy time at SPL. Along with new books and programs we have Ontario Public Library Week, Perth County Reads, Remembrance Day, and this year's municipal election.

Libraries have always been about stories, but they're also about people. A place to ask questions, discover, get creative, meet neighbours, and find reliable information. Whatever brings you here, there's a place for you.

This fall, get a library card, join us for a program, get Loud for Libraries, and stay informed. Come see what your library AND your community have to offer.

PERTH COUNTY READS 2026: *Liberty Street* by Heather Marshall

PERTH COUNTY READS

This riveting novel follows a journalist's journey into an infamous real-life 1960s women's prison — and the detective who uncovers her story decades later. The story takes place partly in Huron County, as well as Toronto, and is inspired by true events. Perth County Libraries have planned some great events around the book and its themes.
