

MAKER SPACE

Learn, Create, Inspire

2019: a year of making dreams come true

What's a MakerSpace?

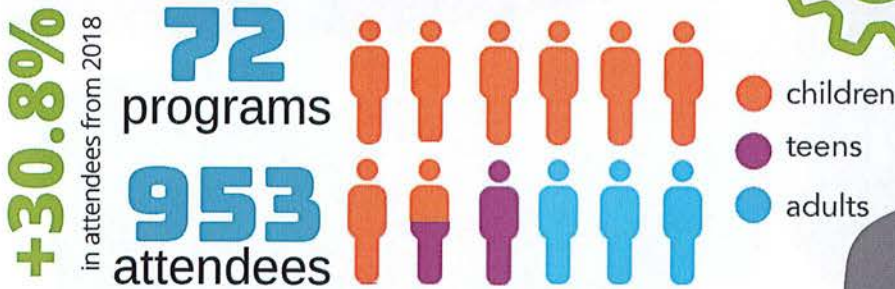

It's a place where people can come together to learn about technology and other kinds of making, to share knowledge and skills with others, and to apply this knowledge and skill by creating things.

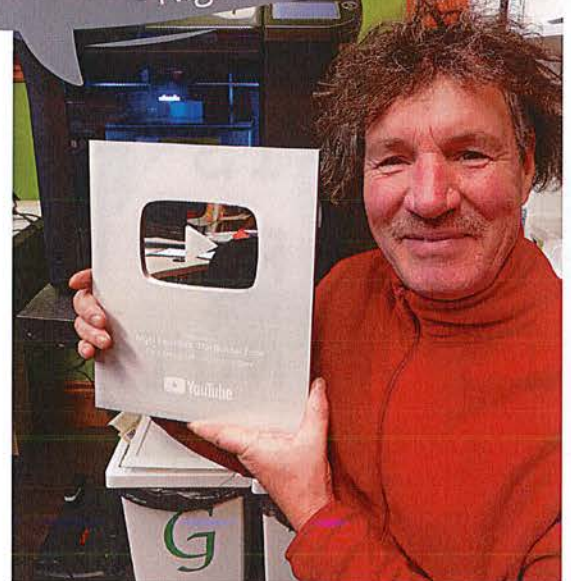

1344 VISITS

DURING 184 OPEN LABS

"I showed up the first day the MakerSpace opened... I have met many new friends at the MakerSpace and that is perhaps the best part!"
- Nigel, YouTuber

Congrats to Nigel for being awarded a YouTube Creator Award for reaching over **100,000 subscribers** to his channel, The Bonsai Zone. Nigel has used the MakerSpace to create custom bonsai planters.

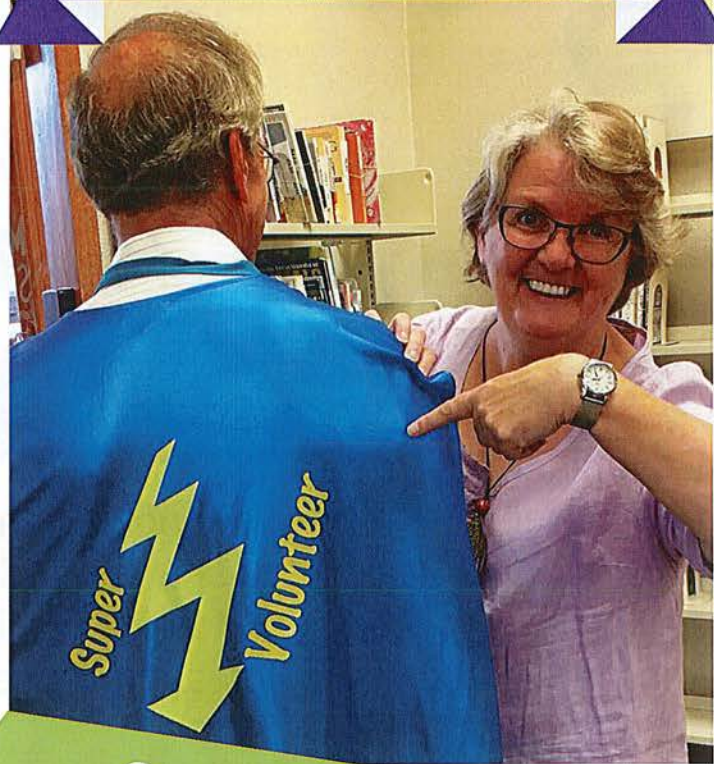

301 vinyl cuts

“AFTER MANY DECADES WANTING TO LEARN HOW TO SEW, ERIC TAUGHT ME IN ONE EVENING. I LOVE IT.”
- HEATHER

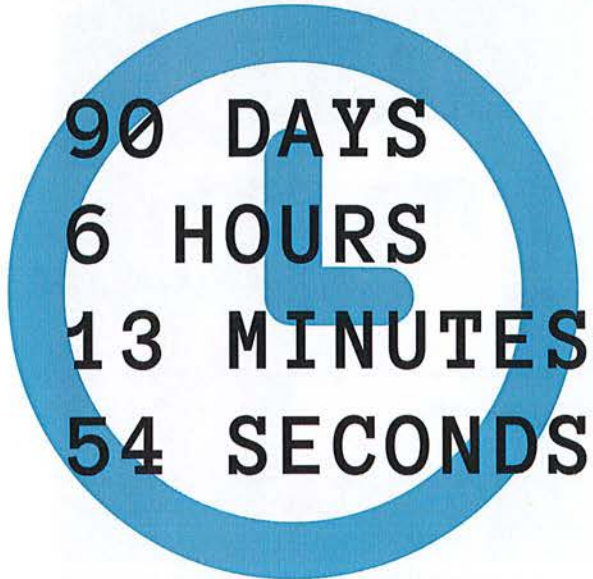

400+
VOLUNTEER HOURS

Congrats Rachael!
Since volunteering at the MakerSpace, Rachael has received a summer internship and has been accepted to the Master of Library and Information Science Program at UWO.

**3D PRINTER
RUN TIME 2019:**

+21.97%
compared to 2018 usage
