- Van

On a more serious note, what are PCIN's roadblocks?

011

Idea Bank: the ideas and 'yes and' additions

001

(1/2)

- Connect with municipal government / agencies to collaborate with them and their strategic directions to put everyone on the same level
- celebrate staff and how much they do
- Explore the different needs of each community while keeping in mind our common goals and priorities
- Joint political advocacy at the provincial level
- Lead by example
- Advocacy - do local council presentations of PCIN successes, highlight that they are successes for all
- Explore internal [to PCIN] training / staff visits among libraries
- More collaborative virtual programming
- Educate our boards and municipal councils, and show them the efficiency of PCIN
- Do more marketing / salesmanship in local newspapers etc
- Increase efficiency by doing more together - collection development, programming, marketing

Idea Bank: the ideas and 'yes and' additions (2/2)

0 0 1

- Explore best use of summer / co-op students
