

SPL Report to the Board

MEETING DATE: OCTOBER 14, 2025
FROM: FINANCE COMMITTEE, STRATFORD PUBLIC LIBRARY BOARD
SUBJECT: 2023 AUDITED FINANCIAL STATEMENTS

Recommendation

THAT the Library Board review the 2023 Audited Financial Statements for receipt and approval.

Background

Financial reporting requirements of the Ontario Public Library Operating Grant include the creation and submission of distinct audited financial statements for the Library. As in past years, the audit was undertaken by Millards Chartered Accountants in consultation with the City's Finance Department and Library staff.

A copy of the auditor's draft report and statements is attached for the Board's review and approval. These statements were previously endorsed by the Board's Finance Committee at their October 9th meeting. Earlier draft statements were approved by Stratford City Council at their September 8th meeting, in advance of their receipt and review by the Library.

As per the auditor's published opinion, "the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Corporation as at December 31, 2023, and the consolidated results of its operations, its consolidated changes and net assets and its consolidated cash flows for the year then ended in accordance with Canadian public sector accounting standards." As such, the Library is in compliance with Canadian Public Sector Accounting Standards for governments as recommended by the Public Sector Accounts Board (PSAB).

Pending Board approval, audited documents will be finalized and provided to the Ministry of Culture, Tourism and Gaming to complete the requirements of our 2024 Public Library Operating Grant of \$51,402.

Management Report

The accompanying consolidated financial statements of The Corporation of the City of Stratford are the responsibility of the City's management and have been prepared in accordance with Canadian Public Sector Accounting standards. The preparation of the financial statements necessarily involves the use of estimates based on management's judgment, particularly when transactions affecting the current accounting period cannot be finalized with certainty until future periods.

The Corporation maintains a system of internal controls designed to provide reasonable assurance that the financial information is relevant, reliable, and accurate, that transactions are properly authorized and the Corporation's assets are properly accounted for and adequately safeguarded.

The financial statements have been examined by Millard, Rouse and Rosebrugh, LLP, Chartered Professional Accountants, the external auditors for the Corporation. The responsibility of the external auditor is to express an opinion on whether the financial statements are fairly presented, in all material respects, in accordance with Canadian Public Sector Accounting standards.

Stratford City Council, through the Audit Committee, is responsible for ensuring that management fulfills its responsibility for financial reporting and internal control. The Audit Committee meets periodically with management, as well as with the external auditors to satisfy itself that each party is properly discharging its responsibilities with respect to internal controls and financial reporting.

The Audit Committee meets with management and the external auditors to review the consolidated financial statements and discuss any significant financial reporting or internal control matters prior to their approval of the consolidated financial statements.

INDEPENDENT AUDITORS' REPORT

To the Members of Council, Inhabitants and Ratepayers of
The Corporation of the City of Stratford

Opinion

We have audited the consolidated financial statements of The Corporation of the City of Stratford (the 'Corporation'), which comprise the consolidated statement of financial position as at December 31, 2023, and the consolidated statements of operations and accumulated surplus, changes in net financial assets and cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Corporation as at December 31, 2023, and the consolidated results of its operations, its consolidated changes and net assets and its consolidated cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of Financial Statements* section of our report. We are independent of the Corporation in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Corporation's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless management either intends to liquidate the Corporation or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Corporation's financial reporting process.

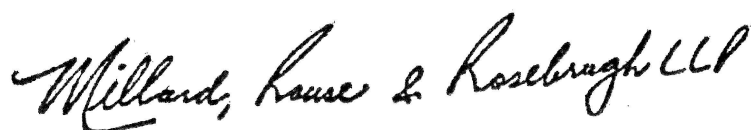

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Corporation's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Corporation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Corporation to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the group Entity to express an opinion on the financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

The accompanying notes are an integral part of these consolidated financial statements.

THE CORPORATION OF THE CITY OF STRATFORD
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
For the year ended December 31, 2023

1. MUNICIPAL STATUS

The Corporation of the City of Stratford (the “Corporation”) is a municipality in the Province of Ontario incorporated under the authority of the Municipal in 1885 and operates under the provisions of the Municipal Act, 2001. The Corporation operates as a single tier government providing such municipal services as fire protection, policing, public works, water distribution, urban planning, recreation and cultural services, and other general government services.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The consolidated financial statements of the Corporation are the representation of management, prepared in accordance with local government accounting standards established by the Public Sector Accounting Board (PSAB) of the Chartered Professional Accountants of Canada. The following is a summary of the significant accounting policies followed in the preparation of these financial statements:

(a) Basis of consolidation

(i) Consolidated entities:

These consolidated statements reflect the financial assets, liabilities, operating revenues and expenses, reserve funds and reserves, changes in investment in tangible capital assets and cash flows and include the activities of all governmental functions controlled and exercised by the Corporation and the following boards which are under the control of Council:

- Stratford Public Library
- Police Services Board
- Board of Parks
- Downtown Stratford BIA
- Perth & Stratford Housing Corporation
- SEED Co

All inter-organizational transactions and balances between these entities have been eliminated.

(ii) Proportionally consolidated entities:

The following entities are proportionally consolidated with the financial statements of the Corporation based on an approved funding agreement effective January 1, 2023.

	2023	2022
Perth District Health Unit	23.39%	23.26%
Spruce Lodge Home for the Aged	40.96%	41.11%
Spruce Lodge Home Assistance Corporation	40.96%	41.11%
Spruce Lodge Foundation	40.96%	41.11%

The method of consolidation is based on notional weighted assessment as stated in the new shared services costing agreement.

THE CORPORATION OF THE CITY OF STRATFORD
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
For the year ended December 31, 2023

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

(iii) Equity accounting:

Government business enterprises are accounted for by the modified equity method. Under the modified equity method, the accounting principles of government business enterprises are not adjusted to conform to the Corporation's accounting principles and inter-organizational transactions and balances are not eliminated. However, inter-organizational gains and losses are eliminated on assets remaining with the government reporting entities at the reporting date. The Corporation recognizes its equity interest of the government business enterprises' income or loss in its consolidated statement of operations with a corresponding increase or decrease in its investment account. All dividends received will be reflected as reductions in the investment account. The government business enterprises and partnerships during the year were:

- Festival Hydro Inc.
- Festival Hydro Services Inc.

(iv) Accounting for School Board transactions:

Although the Corporation collects taxation on behalf of the School Boards, the assets, liabilities, revenues, and expenses, relating to the operations of the school boards are not reflected in these consolidated financial statements. During the year, \$11,681,808 (2022 - \$11,624,899) of taxation was collected on behalf of school boards and remitted to the school boards during the year.

(b) Basis of accounting:

The Corporation follows the accrual method of accounting for revenues and expenses. Revenues are recognized as they are earned and measurable. Expenses are recognized as they are incurred and measurable as a result of receipt of goods or services and the creation of a legal obligation to pay.

(c) Cash and cash equivalents:

Cash is comprised of accounts maintained at chartered financial institutions with an original maturity of three months or less.

(d) Land held for resale:

Land held for resale is recorded at the lower of cost and net realizable value. Cost includes amounts for improvements to prepare the land for sale or servicing.

(e) Non-financial assets:

Non-financial assets are not available to discharge existing liabilities and are held for use in the provision of services. They have useful lives extending beyond the current year and are not intended for sale in the ordinary course of operations.

THE CORPORATION OF THE CITY OF STRATFORD
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
For the year ended December 31, 2023

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

(e) Non-financial assets (continued):

(i) Tangible capital assets:

Tangible capital assets are recorded at cost which includes amounts that are directly attributable to acquisition, construction, development, or betterment of the asset. The cost, less residual value, of the tangible capital assets, excluding land, are amortized on a straight-line basis over their estimated useful lives as follows:

Land improvements	20 to 30 years
Buildings and building equipment	5 to 50 years
Computer equipment	5 years
Furniture and fixtures	15 to 30 years
Vehicles	2 to 25 years
Machinery and equipment	5 to 25 years
Linear assets	20 to 40 years
Other capital assets	50 years
Roads	15 to 60 years
Bridges	60 to 75 years
Water and wastewater facilities	35 to 100 years
Underground and other networks	100 years

Annual amortization is charged in the year of acquisition and in the year of disposal.

Work in progress identified in this and subsequent notes relates to assets under construction. Assets under construction are not amortized until the asset is available for productive use.

Works of art and other historical treasures are accounted for in the same method as the other tangible capital assets, with the exception that they are not amortized.

Contributions of tangible capital assets (donated):

Tangible capital assets received as contributions are recorded at their fair value at the date of receipt and also are recorded as revenue.

Interest capitalization:

The Corporation does not capitalize interest costs associated with the acquisition or construction of a tangible capital asset.

Leased tangible capital assets:

Leases which transfer substantially all the benefits and risks incidental to ownership of property are accounted for as capital leases. All other leases are accounted for as operating leases and the related lease payments are charged to expenses as incurred.

(ii) Inventories and prepaid expenses:

Inventories held for consumption are recorded at the lower of cost and replacement cost. Prepaid expenses relate to expenditures incurred in the current period which relate to and will be expensed in a future fiscal period.

(f) Deferred revenue:

The Corporation receives contributions pursuant to legislation, regulations or agreements that may only be used for certain programs or in the completion of specific work. In addition, certain user charges and fees are collected for which the related services have yet to be performed. These amounts are recognized as revenue in the fiscal year the related expenses are incurred or services performed.

THE CORPORATION OF THE CITY OF STRATFORD
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
For the year ended December 31, 2023

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

(g) Revenue recognition:

Revenue are recognized in the period in which the transactions or events occurred that gave rise to the revenues. All revenues are recorded on an accrual basis, except when the accruals cannot be determined with a reasonable degree of certainty or when their estimation is impracticable.

(i) Government transfers:

Government transfers are recognized as revenues when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recorded as deferred revenue when transfer stipulations give rise to a liability. Transfer revenue is recognized in the statement of operations as the stipulation liabilities are settled.

Government transfers, contributions, and other amounts are received from third parties pursuant to legislation, regulation, or agreement and may only be used in the conduct of certain programs, in the completion of specific work, or the purchase of tangible capital assets. In addition, certain user charges and fees are collected for which the related services have yet to be performed. Revenue is recognized in the period when the related expenses are incurred, services performed, or the tangible assets are acquired.

Government transfers include amounts received for the social assistance program. Funding ratios can vary from 80% to 100% of program costs depending on the social service program. Social service administration funding covers 50% of certain administration costs. The Social Housing program funding is approximately 20% of costs of the program.

(ii) Tax revenue:

Tax revenue is recognized when it is authorized and in the period for which the tax is levied. Tax revenue reported relates to property taxes.

In 2023, the Corporation billed over \$73.0 million in property tax revenue for municipal purposes. A further \$11.7 million in provincial education taxes were collected on behalf of the Province of Ontario for education purposes and remitted to the Province during the year, and do not form part of these financial statements. The authority to levy and collect property taxes is established under the Municipal Act, 2001, the Assessment Act, the Education Act and other legislation.

The amount of the total annual property tax levy is determined each year through Council's approval of the annual operating budget. Municipal tax rates are set annually by Council for each class or type of property, in accordance with provincial legislation and Council approved policies, to raise the revenues required to meet operating and capital budget requirements.

Education tax rates are established by the Province of Ontario each year to fund the costs of education on a Province-wide basis.

Taxation revenues are recorded at the time tax billings are issued. Additional property tax revenue can be added throughout the year, related to new properties that become occupied, or that become subject to property tax, after the return of the annual assessment roll used for billing purposes. The Corporation may receive supplementary assessment information over the course of the year from MPAC that identify new or previously omitted assessments. Property taxes for these supplemental/omitted amounts are then billed according to the approved tax rate for the applicable property class.

THE CORPORATION OF THE CITY OF STRATFORD
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
For the year ended December 31, 2023

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

(g) Revenue recognition (continued):

(ii) Tax revenue (continued):

Taxation revenues in any given year may also be reduced because of reductions in assessment values rising from assessment appeals. Each year, an amount is identified in the budget to cover the estimated amount of revenue loss attributable to assessment appeals, tax appeals, or other deficiencies in tax revenue.

(iii) Other revenue:

User charges relate to various programs and fees imposed based on specific activities, such as transit fees, park and recreation services, water, wastewater, and solid waste. Revenue is recognized when the activity is performed or when the services are rendered.

Development charges and other revenues are recognized in the year that the events giving rise to the revenues occur and the revenues are earned. Amounts received which relate to revenues that will be earned in a subsequent year are deferred and reported as liabilities.

(h) Investment income:

Investment income is reported as revenue in the period earned. Investment income earned on obligatory reserve funds is added to the fund balance and forms part of the deferred revenue balance until the funds are applied.

(i) Employee future benefits:

The contributions to a multi-employer, defined benefit plan are expensed when the contributions are due. The costs of post-employment benefits are recognized when the event that obligates the Corporation occurs. Costs include projected future income payments, health care continuation costs, and fees paid to independent administrators of these plans, calculated on a present value basis.

The costs of post-employment benefits are actuarially determined using the projected benefits method prorated on service and management's best estimate of retirement ages of employees, salary escalation, and expected health care costs. Any gains or losses from changes in assumptions or experience are amortized over the average remaining service period for active employees.

(j) Expenses:

External transfers from the Corporation are recorded as expenses when eligibility criteria have been met by the recipient and the amount can be reasonably estimated. This includes payments issued to individuals eligible under the Ontario Works Act and Day Nurseries Act as well as funding to contracted local social services agencies, Child Care providers and Housing Providers that deliver services in accordance with legislation and local program policies.

(k) Use of estimates:

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the year. These estimates and assumptions, including employee benefits payable, taxation assessment appeals, legal claims provisions, the valuation of tangible capital assets and their related useful lives and amortization, are based on management's best information and judgement and may differ significantly from future actual results.

In addition, the Corporation's implementation of PS3280 Asset Retirement Obligations has resulted in the requirement for management to make estimates regarding the useful lives of affected tangible capital assets and the expected retirement costs, as well as the timing and duration of these retirement costs.

THE CORPORATION OF THE CITY OF STRATFORD
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
For the year ended December 31, 2023

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

(l) Asset retirement obligations:

A liability for an asset retirement obligation (ARO) is recognized at the best estimate of the amount required to retire a tangible capital asset (or a component thereof) at the financial statement date when all of the following criteria are met:

- i. there is a legal obligation to incur retirement costs related to a tangible capital asset;
- ii. the past transaction or event giving rise to the liability has occurred;
- iii. it is expected that future economic benefits will be given up; and
- iv. a reasonable estimate of the amount can be made.

The best estimate of the liability includes all costs directly attributable to asset retirement activities, based on information available at the financial statement date.

When the cash flows and timing required to fulfil the retirement obligation can be reasonably estimated, a present value technique may be used to account for the obligation. The liability is discounted to its present value upon initial recognition and adjusted yearly for accretion expense. When there is uncertainty about the amount or timing of cash flows to settle the ARO, the present value technique may not be used. Uncertainties about timing and amount to settle an ARO does not remove the obligation but will affect its measurement.

When a liability for an asset retirement obligation is initially recognized, a corresponding asset retirement cost is capitalized to the carrying amount of the related tangible capital asset (or component thereof). The asset retirement cost is amortized over the useful life of the related asset. Where the obligation relates to an asset which is no longer in service, and not providing economic benefit, or to an item not recorded by the Corporation as an asset, the obligation is expensed upon recognition.

At each financial reporting date, the Corporation reviews the carrying amount of the liability. Changes to the liability arising from revisions to either the timing, the amount of the original estimate are recognized as an increase or decrease to the carrying amount of the related tangible capital asset. All subsequent changes in the estimate of the related asset retirement obligation liability are recognized as an expense in the fiscal year it is incurred.

The Corporation continues to recognize the liability until it is settled or otherwise extinguished. Disbursements made to settle the liability are deducted from the reported liability when they are made.

The following liabilities have been recognized based on estimated future expenses:

Closure of operational landfill sites and post-closure care relating to current and previous landfill sites. The Ontario Environmental Protection Act sets out the regulatory requirements to properly close and maintain all active and inactive landfill sites. Under environmental law, there is a requirement for closure and post-closure care of landfill sites. This requirement is being funded through tipping fees.

Removal of asbestos in various buildings owned by the Corporation. The Occupational Health and Safety Act states the demolition of a building, all or in part, can be done only when asbestos-containing material that may be disturbed during the work, has been removed.

THE CORPORATION OF THE CITY OF STRATFORD
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
For the year ended December 31, 2023

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

(l) Asset retirement obligations (continued):

Removal of underground fuel and oil storage tanks and related piping. The Technical Standards and Safety Authority (TSSA) states in both its Liquid Fuels Handling Code and the Fuel and Oil Code that an underground storage tank and its piping must be removed when it has been out of service for 2 years or more.

Removal of leasehold improvements where requested by the landlord. A lease may have a Base Building clause that states that leasehold improvements are to be removed at the end of a lease at the request of the landlord and at the expense of the Corporation.

The liabilities are discounted using a present value calculation, where appropriate, and adjusted yearly for changes in circumstances. The recognition of a liability results in an accompanying increase to the respective tangible capital assets or an adjustment to the annual surplus when an asset was fully amortized. The increase to the tangible capital assets is being amortized in accordance with the accounting policies. At each financial reporting date, the Corporation reviews the carrying amount of the liability. The Corporation recognizes period-to-period changes to the liability due to the passage of time as accretion expense. Changes to the liability arising from revisions to either the timing, the amount of the original estimate of undiscounted cash flows or the discount rate are recognized as an increase or decrease to the carrying amount of the related tangible capital asset. The Corporation continues to recognize the liability until it is settled or otherwise extinguished. Disbursements made to settle the liability are deducted from the reported liability when they are made.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

(m) Financial instruments:

The following table provides the carrying amount information of the Corporation's financial instrument by category.

Financial Assets	Measurement Basis
Cash	Cost/amortized cost
Trade and other receivables	Cost/amortized cost
Investment - marketable securities	Cost/amortized cost
High interest savings accounts	Cost/amortized cost
Guaranteed investment certificates	Cost/amortized cost
Bond	Cost/amortized cost
Notes - other	Cost/amortized cost
Principal protected notes	Cost/amortized cost
Pooled investment funds	Cost/amortized cost
Financial Liabilities	Measurement Basis
Accounts payable and accrued liabilities	Cost/amortized cost
Deferred revenue – obligatory reserve funds	Cost/amortized cost
Long-term debt	Cost/amortized cost

Financial instruments are recorded at fair value on initial recognition. Derivative instruments and equity instruments that are quoted in an active market are reported at fair value. All other financial instruments are subsequently recorded at cost or amortized cost. The unrealized remeasurement gains and losses are recorded in the statement of remeasurement gains and losses. Once realized, remeasurement gains and losses are transferred to the statement of operations. As all financial instruments are measured at cost or amortized cost, there have been no re-measurement gains or losses. Therefore, the Statement of Remeasurement Gains (Losses) has been excluded.

Financial instruments that are subsequently measured at fair value are classified based on the observability of inputs as follows:

- Level 1 - Unadjusted quoted market prices in active markets for identical assets or liabilities;
- Level 2 - Observable or corroborated inputs, other than level 1, such as quoted prices for similar assets or liabilities in inactive markets or market data for substantially the full term of the assets or liabilities; and
- Level 3 - Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets and liabilities.

Transaction costs incurred on the acquisition of financial instruments measured subsequently at fair value are expensed as incurred. All other financial instruments are adjusted by transaction costs incurred on acquisition and financing costs, which are amortized using the straight-line method.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
For the year ended December 31, 2023

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

(n) Change in Accounting Policies - Adoption of New Accounting Standards:

The Corporation adopted the following standards concurrently beginning January 1, 2023:

(i) PS 1201, Financial Statement Presentation

PS 1201, Financial Statement Presentation replaces PS 1200, Financial Statement presentation. This standard establishes general reporting principles and standards for the disclosure of information in government financial statements. The standard introduces the consolidated statement of remeasurement gains and losses separate from the consolidated statement of operations. Requirements in PS 2601, Foreign Currency Translation, PS 3450, Financial Instruments, and PS 3041, Portfolio Investments, which are required to be adopted at the same time, can give rise to the presentation of gains and losses as remeasurement gains and losses.

(ii) PS 3041, Portfolio Investments

PS 3041, Portfolio Investments replaces PS 3040, Portfolio Investments. The standard provides guidance on accounting for, and presentation and disclosure of, portfolio investments to conform to PS 3450, Financial Instruments. The distinction between temporary and portfolio investments has been removed in the new standard, and upon adoption, PS 3030, Temporary Investments no longer applies.

These above standards were adopted prospectively. There was no impact to the Corporation as a result of the adoption of the above two standards.

(iii) PS 3450, Financial Instruments and PS 2601, Foreign Currency Translation

On January 1, 2023, the Corporation adopted PS 3450, Financial Instruments and PS 2601, Foreign Currency Translation. The standards were adopted prospectively from the date of adoption. The new standards provide comprehensive requirements for the recognition, measurement, presentation and disclosure of financial instruments and foreign currency transactions.

Under PS 3450, all financial instruments, including derivatives, are included on the consolidated statement of financial position, and are measured at either fair value or amortized cost based on the characteristics of the instrument and the Corporation's accounting policy choices (see Note 1, Significant accounting policies). Unrealized gains and losses arising from changes in fair value are presented in the consolidated statement of remeasurement gains and losses.

As all financial instruments are measured at cost or amortized cost, there have been no re-measurement gains or losses. Therefore, the Statement of Remeasurement Gains (Losses) has been excluded.

(iv) PS 3280, Asset Retirement Obligations

Effective, January 1, 2023 the Corporation adopted PS 3280, Asset Retirement Obligations. The new standard establishes guidelines for acknowledging, assessing, presenting, and disclosing legal responsibilities connected with the retirement of tangible capital assets. The Corporation has chosen the prospective approach where liabilities are recognized on a forward-looking basis for the current and subsequent periods only. The valuation and accounting of the asset retirement obligation is completed at the time of adoption without consideration for previous years, with the exception of landfill liabilities previously recognized under PS 3270.

In accordance with the provisions of this new standard, the Corporation removed the landfill liability that had been recognized to date and recognized an asset retirement obligation on January 1, 2023. The new liability represents 100% of the estimated required closure and post-closure care for the landfill sites owned by the Corporation. The liability was assumed and measured as of the date the landfill sites began accepting waste and was discounted at 3.90%, which was the discount rate as of the date of adoption of the standard.

3. CASH AND CASH EQUIVALENTS

The following is a breakdown of cash and cash equivalents and bank indebtedness:

	2023	2022
General bank accounts	8,007,716	3,478,336
General reserve bank accounts	39,471,998	36,404,380
Petty cash	3,412	3,337
	47,483,126	39,886,053

4. LOANS RECEIVABLE

The following loans are outstanding at December 31:

	2023	2022
Stratford Perth Museum	242,290	256,333
Heritage Conservation District Loans	92,176	32,709
Stratford Soccer Association	40,000	50,000
Stratford Perth Museum (2)	110,145	117,451
Stratford Chef School	-	37,353
Stratford Soccer Association Turf Field	369,462	410,513
	854,073	904,359

The Stratford Perth Museum loan matures in 2037, has an interest rate of 3% with repayments of \$1,791 being made monthly.

The Heritage Conservative District loans are interest-free 10 year loans with maturity dates between June 2025 and July 2033.

The Stratford Perth Museum (2) matures in 2038, has an interest rate of 0.5% with repayments of \$656 being made monthly.

The Stratford Soccer Association loan is a 15 year interest-free loan maturing September 2028 with a yearly payment of \$10,000.

The Stratford Chef School loan was repaid in the year.

The Stratford Soccer Association turf field loan is a 15 year interest-free loan maturing December 2032 with a yearly payment of \$41,051.

During the year, and within the normal course of operations, the Corporation was provided water and sewer billing and collection services by Festival Hydro Inc. Amounts paid to Festival Hydro Inc. by the corporation were \$539,320 (2022 - \$499,716).

The Corporation also leases space from Festival Hydro Inc. for which it paid rent of \$36,851 (2022 - \$33,477) during the year.

THE CORPORATION OF THE CITY OF STRATFORD
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
For the year ended December 31, 2023

7. PENSION AGREEMENT

The Corporation makes contributions to the Ontario Municipal Employees Retirement System (OMERS), a multi-employer plan, on behalf of its employees. The plan is a defined benefit plan which specifies the amount of retirement benefit to be received by the employees based on the length of service and rates of pay. The 2023 contribution rates are 9.0% for employee earnings below the year's maximum pensionable earnings and 14.6% thereafter for employees with a normal retirement age of 65. The 2022 contribution rates were 9.0% for employees earning below the year's maximum pensionable earnings and 14.6% thereafter for employees with a normal retirement age of 65. Employees and employers contribute jointly to the plan.

OMERS is a multi-employer plan, therefore any pension plan surpluses or deficits are a joint responsibility of Ontario municipal organizations and their employees. As a result, the Corporation does not recognize any share of the OMERS pension surplus or deficit. Contributions made by the Corporation to OMERS for 2023 were \$3,762,531 (2022 - \$3,554,235) and are matched by employee contributions in a similar manner. Employer contributions are recognized as an expenditure in the consolidated statement of financial activities in the year contributions are made.

The OMERS pension plan has a deficit. If actuarial surpluses are not available to offset the existing deficit and subsidize future contributions, increases in contributions would be required in the future from all OMERS participants. The last available report for the OMERS plan was on December 31, 2023. At that time the plan reported a \$4.2 billion actuarial deficit (2022 - \$6.7 billion actuarial deficit).

9. CONTRACTUAL OBLIGATIONS

At December 31, the Corporation had a number of contracts and commitments that remained fully or partially outstanding as noted, representing future year commitments:

The Corporation has a contract with Ontario Clean Water Agency to operate the sewage system. The term of the agreement is 10 years for the period January 1, 2018 to December 31, 2027. The contract fees amounting to \$1,126,045 (2022 - \$1,309,567) are reported in the Consolidated Statement of Operations. The 2024 commitment is \$1,122,000.

The Corporation has entered into several agreements for the lease and supply of various equipment, vehicles and services with expected payments of approximately \$1,575,800 for 2024.

The Corporation has outstanding contractual obligations of approximately \$10,322,342 at December 31, 2023 for various capital works that were not completed in 2023.

10. CONTINGENCIES

As of December 31, 2023, certain legal actions and other contingent liabilities are pending against the Corporation. Reference can be made to note 13 for details of the public liability insurance maintained by the Corporation. Not all contingencies can be estimated at year-end since the outcome of these matters is indeterminate at this time.

THE CORPORATION OF THE CITY OF STRATFORD
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
For the year ended December 31, 2023

11. EMPLOYEE BENEFITS PAYABLE

Employee future benefits are liabilities of the Corporation to its employees and early retirees for benefits earned but not taken. Details are as follows:

	2023	2022
Post-retirement benefits (a)	11,087,891	10,999,076
Workplace Safety and Insurance Board Obligation (b)	4,892,802	4,782,242
	15,980,693	15,781,318

The Corporation provides benefits to retirees until they reach 65 years of age, provides certain benefits to employees on long-term disability, allows certain employees to accumulate unused sick leave to be taken as a cash payment on termination. Above values are based on actuarial and management estimates as at December 31, 2023.

(a) The actuarial analysis is only for the City of Stratford, not including WSIB. Significant assumptions used in the actuarial valuation are as follows:

	2023	2022
Discount rate	4.50 %	2.60 %
Rate of compensation increase	2.50 %	2.50 %
Healthcare cost increase	8.00 %	8.00 %

The benefit obligation continuity is as follows:

	2023	2022
Accrued benefit obligation end of prior year	10,330,400	10,696,300
Current period benefit cost	637,900	651,800
Retirement interest expenditure	469,500	281,100
Benefits paid	(1,070,000)	(1,070,000)
Accrued Benefit Obligation as at December 31	10,367,800	10,559,200
Unamortized actuarial (gain) loss	-	(228,800)
Liability for post-retirement benefits - City of Stratford	10,367,800	10,330,400
Liability for post-retirement benefits - Spruce Lodge	341,921	315,659
Liability for post-retirement benefits - Perth District Health Unit	378,170	353,017
	11,087,891	10,999,076

Post-retirement benefits expense is as follows:

	2023	2022
Current period benefit cost	637,900	651,800
Retirement interest expenditure	469,500	281,100
Amortization of actuarial (gain) loss	124,600	166,100
Total post-retirement benefits expense	1,232,000	1,099,000

Reserves have been established to partially provide for this past service liability. The balance at the end of the year is \$5,721,438 (2022 - \$5,878,907). An amount of \$607,468 (2022 - \$609,387) was paid out of reserves to employees who left the Corporation's employment during the current year.

THE CORPORATION OF THE CITY OF STRATFORD
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
For the year ended December 31, 2023

11. EMPLOYEE BENEFITS PAYABLE (continued)

(b) The City of Stratford is a Workplace Safety and Insurance Board (WSIB) Schedule 2 employer. The Corporation has recorded an accrual for the estimate of future benefit costs and administrative loading as calculated by actuaries. During the year, \$1,432,440 (2022 - \$726,132) was paid by the Corporation to the WSIB in relation to those benefits.

12. LONG-TERM DEBT

The balance of long-term debt reported on the consolidated statement of financial position consists of total long-term debt incurred by municipal enterprises. The amount at the end of the year is as follows:

	2023	2022
OSIFA debenture bearing interest at 2.57% due June 2032	11,388,684	12,728,533
OSIFA debenture bearing interest at 2.78% due September 2024	67,000	134,000
OSIFA debenture bearing interest at 2.74% due November 2028	1,446,009	1,735,208
OMEIFA debenture bearing interest at 4.96% due November 2034	7,399,201	8,071,858
OMEIFA debenture bearing interest at 2.70% due November 2034	677,546	729,797
OMEIFA debenture bearing interest at 4.28% due December 2024	366,664	733,333
OMEIFA debenture bearing interest at 3.21% due December 2026	4,208,530	5,611,369
OMEIFA debenture bearing interest at 3.42% due December 2023	4,075,334	4,482,867
Royal Bank loan payable, interest at 2.42% per annum, due June 2024	299,197	493,893
Royal Bank loan payable, interest at 2.84% per annum, due April 2027	3,322,692	3,480,287
Royal Bank loan payable, interest at 2.88% per annum, due April 2028	3,290,777	3,446,278
Royal Bank loan payable, interest at 2.49% per annum, due April 2025	296,782	512,591
Royal Bank loan payable, interest at 5.51% per annum, due April 2028	949,070	1,012,412
Royal Bank loan payable, interest at 2.80% per annum, due April 2026	951,443	1,021,765
Royal Bank loan payable, interest at 5.65% per annum, due October 2027	3,418,369	3,595,127
Royal Bank loan payable, interest at 5.66% per annum, due October 2027	1,681,312	1,716,534
	43,838,610	49,505,852

Principal repayments are summarized as follows:

2024	5,708,339
2025	5,061,211
2026	4,913,662
2027	3,540,911
Thereafter	24,614,487
	43,838,610

Long-term liabilities and commitments to be financed from reserves beyond the term of Council are covered by by-law. The principal and interest payments required to service existing and pending issues and commitments are within the debt repayment limit prescribed by the Ministry of Municipal Affairs.

Total interest on long-term debt was \$2,334,474 (2022 - \$2,379,437).

THE CORPORATION OF THE CITY OF STRATFORD
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
For the year ended December 31, 2023

13. PUBLIC LIABILITY INSURANCE

In order to control rising insurance premium costs, the Corporation undertakes a portion of the risk through increased deductibles. The deductibles generally range up to \$50,000 depending on the types of claims. Insurance coverage is in place for claims in excess of these deductibles up to various policy limits. The Corporation has made provision for a Reserve for Self-Insurance for various types of insurance, the balance of which at December 31, 2023 amounted to \$241,153 (2022 - \$241,153), and is reported in Note 14 under Reserves.

The Corporation budgets annually for claims related to self-insurance and the difference between budgeted and actual claims during the year forms part of the Corporation's annual surplus/deficit, and if required, is drawn from the reserve fund. In 2023, the amount drawn from the reserve was \$nil (2022 - \$nil). Claims for all forms of self-insurance during the year amounting to \$42,431 (2022 - \$278,861), including adjusters' fees and costs, are reported as an expenditure on the Consolidated Statement of Operations and Accumulated Surplus.

14. ACCUMULATED SURPLUS

The accumulated surplus balance is comprised of balances in reserves and reserve funds, operating surplus, capital surplus, unfunded liabilities to be recovered in the future, investment in government business enterprises and investment in tangible capital assets.

	2023	2022
Reserves set aside for specific purposes by Council:	18,773,273	18,154,667
Reserve Funds set aside for specific purpose by Council:	43,555,896	43,555,896
Amounts to be recovered:		
Investment in Government Business Enterprise	(15,972,000)	(15,972,000)
Solid waste landfill closure and post closure liability	(13,280,759)	(3,736,000)
Employee benefits payable	(15,980,693)	(15,781,318)
Long-term debt	(43,838,610)	(49,505,852)
Interest accrual on debt	(110,937)	(124,978)
Total amounts to be recovered	(89,182,999)	(85,120,148)
Cumulative operating deficit	(4,262,086)	(8,126,796)
Investment in Government Business Enterprise	52,490,758	51,285,420
Land held for resale	347,651	347,651
Work in progress	20,351,531	25,041,542
Investment in tangible capital assets	332,870,091	317,625,572
Total accumulated surplus	374,944,115	362,763,804

The cumulative operating deficit reflects the Corporation's \$777,040 cash-basis operating surplus as well as PSAB and consolidated adjustments.

THE CORPORATION OF THE CITY OF STRATFORD
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
For the year ended December 31, 2023

15. FINANCIAL INSTRUMENTS AND RISK MANAGEMENT

(a) Credit risk

Credit Risk is the risk that one party to a financial instrument will cause a financial loss of the other party by failing to discharge the obligation. The Corporation is exposed to credit risk from its financial assets including cash and cash equivalents, trade and other receivables, and investments.

The Corporation holds its cash accounts with chartered financial institutions.

Trade and other receivables are primarily from government, corporations, and individuals. The Corporation measures its exposure to credit risk based on how long amounts have been outstanding. As at December 31, 2023, \$1,208,322 of accounts receivable were more than 90 days past due. Credit risk is mitigated by a highly diversified nature of debtors and other customers which minimizes its concentration of credit risk. An impairment allowance is set up based on historical experiences regarding collections.

The Corporation's investment policy governs the investment of surplus cash, reserves and reserve funds, and trust funds in accordance with Ontario Regulation 438/97 made under the Municipal Act. All investment by the municipality will be subject to Section 167 of the Municipal Act and Ontario Regulation 438/97 made under the Municipal Act. The goal of this policy is to invest all available funds of the Corporation in a prudent manner so as to maximize the rate of return while minimizing the degree of risk and ensuring an adequate level of liquidity under the Act.

(b) Liquidity risk

Liquidity risk is the risk that the Corporation will not be able to meet all cash outflow obligations as they come due. The Corporation is exposed to liquidity risk from accounts payable and accrued liabilities. The Corporation mitigates this risk by monitoring cash activities and expected outflows through budgeting and monitoring investments that may be converted into cash to maintain sufficient funds for meeting obligations as they come due. Accounts payable and accrued liabilities are generally due within 30 days. The annual repayment obligations for municipal debt are disclosed in Note 11.

(c) Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk is comprised of currency risk, interest rate risk, and other price risk.

(i) Foreign currency risk

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Corporation is not exposed to significant currency risk as amounts held and purchases made in foreign currency are insignificant.

(ii) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Corporation is exposed to interest rate risk through its investments and long-term debt. The Corporation is not exposed to significant interest rate risk as the Corporation invests solely in investments subject to Section 167 of the Municipal Act and Ontario Regulation 438/97 made under the Municipal Act and long-term debt has interest rates fixed for long periods of time with the debt intended to be repaid in accordance with the terms of the respective loans.

(iii) Other price risk

Other price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices (other than current and interest rate risk). The Corporation is not exposed to significant other price risks.

THE CORPORATION OF THE CITY OF STRATFORD
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
For the year ended December 31, 2023

16. ASSET RETIREMENT OBLIGATIONS

The Corporation owns and operates the following assets that have asset retirement obligations associated with them:

Designated substances:

Asbestos and other designated hazardous materials represent a health hazard upon disturbance and as a result carry a legal obligation to remove them when a facility undergoes a significant renovation or demolition. The Corporation owns and operates several facilities with asbestos containing materials. As a result, the Corporation recognized an obligation relating to the removal of the hazardous materials upon adoption of PS 3280 *Asset Retirement Obligations*. This resulted in a 2023 liability of \$5,624,325 and there was a corresponding increase to the cost base of the associated assets with the exception of fully amortized buildings where the ARO's associated were fully expensed in the period.

Well decommissioning:

The Groundwater Protection Regulation provides specific guidelines for decommissioning wells which give rise to a retirement obligation. The Corporation must recognize an asset retirement obligation related to several wells located across facilities owned by Stratford and will be required to decommission them upon retirement of the assets. This resulted in an asset retirement obligation liability of \$108,142 in 2023 and a corresponding increase to the cost based on the wells with the exception of any fully amortized wells where the ARO's associated were fully expensed in the period.

Landfill obligation:

The Environment Protection Act sets out the regulatory requirements to properly close and maintain all active and inactive landfill sites. Under environmental law, there is a requirement for closure and post-closure care of solid waste landfill sites.

Landfill closure and post-closure care requirements have been defined in accordance with industry standards and include final covering and landscaping of the landfill, pumping of ground water and leachates from the site, and ongoing environmental monitoring, site inspection and maintenance. The reported liabilities are based on estimates and assumptions with respect to events herein using the best information available to management. Future events may result in significant changes to the estimated total expenses, capacity used or total capacity and the estimated liability, and would be recognized prospectively, as a change in estimate, when applicable.

The Corporation currently has one active landfill site. The landfill closure costs are accrued on an annual basis based on the estimated life of the landfill sites. Estimated total expenditures represent the sum of the discounted future cash flows for closure and post-closure care activities discounted at 3.9%. The estimated total landfill closure and post closure care expenses are calculated to be approximately \$7,548,292 (2022 – \$3,736,000).

Retirement Obligation	Designated Substances (Buildings)	Well Decommissioning	Landfill Obligation	Balance, December 31, 2023
Opening	-	-	3,736,000	3,736,000
Adoption of PS 3280	5,562,883	106,687	3,812,292	9,375,175
Annual accretion expense	61,442	1,455	-	61,442
Closing balance	5,624,325	108,142	7,548,292	13,280,759

21. SEGMENTED INFORMATION

The City of Stratford is a diversified municipal government institution that provides a wide range of services to its citizens, including policing, fire, road, water distribution, sewer collection/conveyance, storm sewer, libraries, transit and community services.

Segmented information has been prepared by major functional classification of activities provided, consistent with the Consolidated Statement of Operations and Accumulated Surplus and provincially legislated requirements.

For each reported segment, revenues and expenses represent both amounts that are directly attributable to the segment and amounts that are allocated on a reasonable basis.

The accounting policies used in these segments are consistent with those followed in the preparation of the consolidated financial statements as disclosed in Note 2.

For each reported segment, revenues and expenses represent both amounts that are directly attributable to the segment and amounts that are allocated on a reasonable basis. Therefore, certain allocation methodologies are employed in the preparation of segmented financial information. The revenue fund reports on municipal services that are funded primarily by property taxation revenues. Taxation and payments-in-lieu of taxes are apportioned based on the segment's net surplus. The segmented information follows the same accounting policies as disclosed in Note 2.

General Government

This item is related to the revenues and expenses of the operations of the Corporation itself not otherwise directly attributed to a specific segment.

Protection Services

Protection is comprised predominantly of the Police Services and Fire departments and includes the Building Division. The mandate of the Police Services department is to ensure the safety and security of the lives and property of citizens through law enforcement, victims' assistance, public order maintenance, crime prevention and emergency response. The Fire department is responsible for providing proactive fire and injury prevention education programs, comprehensive inspection programs and fire code enforcement. In addition, the department responds to emergency calls for assistance related to fires, rescues, motor vehicle accidents and cardiac medical events as well as calls related to hazardous material incidents, swift water and ice rescue and limited types of technical rescue calls. The building department enforces the building and construction codes and municipal by-laws.

Transportation Services

Transportation Services are comprised of year-round road maintenance, parking, traffic signals and street lighting. Activities include the maintenance of roadsides defined as sidewalks, walkways, boulevards and the urban forest. Transit services are also included in this segment. This service is responsible for the operational integrity of the roadway system through year-round surface maintenance and winter maintenance, including snow and ice control. Parking supports the controlled movement of vehicles to benefit Stratford businesses and residents through policy and operational efforts. Traffic signal services provide the planning, design, operation and maintenance of the Corporation's streetlights and traffic signal network including a computerized traffic signal control system. This segment also includes the operations of the Stratford Municipal Airport. Transit is responsible for the delivery of public transit services for the residents of the City of Stratford. Public transit services include conventional and specialized transit services. Service design, development and delivery for the respective services take their direction from the Corporation's Official Plan, Transportation Plan and Council's Strategic Priorities document and the Corporation's Accessibility Plan.

THE CORPORATION OF THE CITY OF STRATFORD
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
For the year ended December 31, 2023

21. SEGMENTED INFORMATION (Continued)

Environmental Services

(i) Water and Wastewater Utilities

The Water Utility provides the planning, engineering, operation and maintenance for the Corporation's water infrastructure. Services include the planning and engineering to support the delivery of safe, clean, high quality drinking water of sufficient flow and pressure to enhance the quality of life and support economic development for the residents and businesses of Stratford. Operation and maintenance services ensure the reliable delivery of water to all customers and sustainability of a high-quality water infrastructure.

The Wastewater Utility provides the planning, engineering, operation and maintenance for the Corporation's wastewater and drainage infrastructure. Services include the operation of a pollution control plant and sewage pumping stations for the treatment of sanitary sewage, year-round maintenance of sanitary and storm sewer systems and planning and implementation of capital works to provide new services and improve existing systems. All services are delivered in an environmentally and fiscally responsible manner while maintaining sustainability of the infrastructure.

(ii) Solid Waste and Recycling

Solid Waste and Recycling provides solid waste collection services managing the safe and permanent disposal of non-hazardous wastes collected in an environmentally safe process including the management and operation of a landfill site. It also provides a variety of services and projects relating to the Management of Solid Waste for its customers and the citizens and businesses of Stratford. Such services include daily recyclable and waste drop-off, curbside garbage, recycling and composting, residential/industrial/commercial and city facilities recycling

Health Services

Huron Perth Public Health Unit provides a wide range of public health services in Stratford and Huron and Perth Counties. The programs and services are designed to help citizens live a healthy life, free from disease and injury through health promotion and prevention activities. The Health Unit also monitors the air, food and water supply in the community to make sure it is safe and provides services to individuals and communities and advocates for public policies that make the City of London healthier. Ambulance Services provide medical emergency medical services to the City of Stratford and are provided through Perth County.

Social and Family Services

As the Consolidated Municipal Service Manager, the Social Services Department is legislated to deliver the Province's Ontario Works program to qualified residents within the City of Stratford; homelessness funding to local emergency shelters and administers the distribution of child care fee subsidies to families in need and wage subsidies to local child care agencies.

Social Housing

The Housing Division is the administrator of the Perth Stratford Housing Corporation and is responsible for establishing and maintaining a system for administering mortgage and rent subsidies for social housing providers; receiving and evaluating financial reports of housing providers; assessing extraordinary financial requests from housing providers; responding to requests for technical support from housing providers and reviewing housing providers operations to ensure compliance with the Housing Services Act and any rules allocated by the Service Manager. The Division also fulfills the application intake function for social housing providers and delivers federal, provincial and municipal affordable housing programs.

THE CORPORATION OF THE CITY OF STRATFORD
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

21. SEGMENTED INFORMATION (Continued)

Recreation and Cultural Services

The Community Services Department works collaboratively with their colleagues and partners to improve the quality of life for all Stratford residents by creating opportunities for individuals to lead healthy, socially-active lives through the direct delivery of recreation programs; strengthening neighbourhoods; leading the integration of community wide initiatives; managing and operating parks and recreation facilities such as the Rotary Complex, and supporting local sport and special event initiatives.

Recreation and cultural services are meant to improve the health and development of the citizens. Programs such as swimming, skating, day camps, festivals and library services are provided at locations such as parks, libraries, art gallery, recreation complexes, arenas, sports field and other municipal buildings.

Planning and Development

This department manages urban development for business interests, environmental concerns, heritage matters, local neighbourhoods. This reporting segment also includes economic development and tourism, delivered by SeedCo.

(i) Planning and Development Services

Planning Services provides a wide range of planning and associated services to guide long-term land use and development activity in the Corporation. A wide range of services are provided by the Division including Official Plan and Zoning By-law approvals, policy development, secondary plans, Community Improvement Plans, economic revitalization programs, brownfield revitalization incentives, heritage preservation incentives, urban design, environmental and ecological evaluations, parks planning, urban forestry, commemorative programs and heritage planning.

The division provides a single point of administration for development approvals under the Planning Act. Planning Act applications processed by Development Services include Plans of subdivision including associated Official Plan and Zoning By-law amendments, site plan approvals, condominium approvals and consents. The Division also administers subdivision and development agreement servicing standards and compliance through inspection, assumption and security management.

(ii) Building Services

Building Services, by administering the provisions of the Ontario Building Act and the Building Code, ensures high quality building construction in addition to keeping paramount the health and safety of the citizens of Stratford. These directives are established through the enforcement of various municipal By-laws such as the Property Standards By-law, the Sign and Canopy By-law and the Pool Fence Bylaw to name a few.

(iii) Licensing and Municipal By-Law Enforcement Services

This segment, is responsible for seeking compliance with community-based City by-laws which focus on health and safety, consumer protection, nuisance control and quality of life issues. Licensing and Parking Enforcement areas are responsible for addressing compliance issues with business licensing by-laws and parking infractions. Animal Control services are contracted to the Stratford Perth Humane Society where policies, practices, directives, by-laws and regulations are in place and adhered to for the protection of the public and the welfare of domestic animals in the community.

THE CORPORATION OF THE CITY OF STRATFORD
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
For the year ended December 31, 2023

23. BUDGET NOTE

Budget figures reported on the Consolidated Statement of Operations and Accumulated Surplus are based on the 2023 municipal operating and water/wastewater budgets as approved by Council March 27, 2023 and include subsequent amendments. Approved budget figures have been reclassified and adjusted for the purposes of these financial statements to comply with Public Sector Accounting Board ("PSAB") reporting requirements.

In addition, the budget reflects expensing all tangible capital expenditures rather than including just amortization expense. As a result, the budget figures presented in the statement of operations represent the Financial Plan adopted by Council March 27, 2023 but also include proportionate consolidated budgets of local boards reconciled as follows:

	2023	2022
Financial Plan (budget) Bylaw deficit for the year	-	-
Add:		
Budgeted principal repayment of debt	7,285,596	8,593,071
Budgeted transfer to accumulated surplus	14,569,822	10,627,900
Capital Expenditures	36,322,030	40,235,075
Less:		
Budgeted transfers from accumulated surplus	(23,779,511)	(28,773,519)
Unfinanced Capital	(2,908,445)	(4,686,080)
Amortization	(14,457,475)	(10,035,361)
Budget surplus (deficit) per statement of operations	17,032,017	15,961,086

24. COMPARATIVE AMOUNTS

The comparative amounts presented in the consolidated financial statements have been reclassified to conform to the current year's presentation.
