The mission and vision statement articulates the Board's and the staff's shared understanding of the purpose of the library. It is used as a decision-making framework for the board and staff; all strategic decisions of the library need to support the mission, vision, and values. They are reviewed and revised by the board in the planning cycle.

1.0 Mission

2.0 Vision

We are a place where hope and wonder fly.

We envision a library which connects people; inspires learning, literacy, and curiosity; and sparks change for a better community.
